TWO TONGUES ARE BETTER THAN ONE

# ride baby ride

It's interesting how two people can be at the same place at the same time, doing the same thing, yet it's so different for each one. This is one of those stories. Ride on!

## HIS STORY

Finally, we got to hit the road after the semester had ended. Vanessa, my girlfriend and I just ended our junior year at the university. It was about a three hour drive home and we had been on the road for about twenty minutes. The city was behind us and in about ten minutes it will be nothing but country. Interstate 80 was coming alive with truckers. This main east west route across Pennsylvania is heavily traveled with commercial vehicles. Soon, Vanessa was flashing truckers as they passed by.

Vanessa's about five foot eight, 125 pounds with an ample chest, long brown hair, and a very tight ass. She asked if I wanted to have some fun because all the trucker's attention was making her horny.

"Why not?" I said without any hesitation.

I reached across the car and started to rub her erect nipples, as she moaned ever so slightly. Trucks were driving by blowing their horns as they saw me rubbing her breasts through the open windows.

Vanessa slowly slipped her hand down into her shorts and started to rub her pussy. Watching her touch herself gave me a hard-on like no other. She

looked over and asked me if I liked what she was doing, but I think she could tell by the bulge in my pants. I was enjoying every minute of it.

She tilted her seat back and pulled off her shorts and began to finger her pussy. She played with her boobs while I started rubbing on my dick over my pants. I could see her juices dripping from her fingers as they went in

# ride baby ride

and out of her. She began to rub the juices on her nipples and licking it off her fingers. She turns to me and laid back across my lap as I began to finger fuck her wet pussy as she rubs on her breasts. The moans of pleasure rang out as more vehicles passed by and blew their horns in amazement. She pulled my hand out of her pussy and began to lick my fingers, cleaning them, Then she pushed them back deep inside of her. I rubbed her clit softly and fingered her wet pussy.

Thinking she wanted more, she got on all fours on the seat and started to rub on my cock and bite my nipples. Pulling my throbbing cock out from my shorts, I could feel her warm mouth surround the head of my cock. As she licked along the shaft, I began to rub her round ass. While she sucked my cock, I finger fucked her ass. I started with one finger but then she wiggled her butt "no" and I had to take it out.

We both enjoyed the attention as

she screamed and moaned for more. I could feel my load about to blow as I yelled out that I was about to cum. She opened wide to receive my load in her hot steamy mouth.

At that moment a horn blows and I look up and somehow I was driving down the wrong side of a four lane highway as cars swerve to keep from hitting us. Until this day we don't know how we got across the median onto on-coming traffic.

## HER STORY

I'm sitting beside you, watching as you drive us to nowhere so that we can be alone together. My eyes focus on your mouth, wanting to touch your lips with mine, my tongue touches the back of my teeth, wanting to taste you. I open my mouth slightly, and my wet tongue just barely licks my lips. You glance over at

me. I smiled shyly and turn my eyes to my side of the road, but my thoughts are still focused on pleasing you.

With each mile that goes by, I ignore the trucker horns and move closer and closer to you. I am fantasizing about having your arms holding me instead of the steering wheel. You brush my hair back from my face and pull me closer to your side. I nuzzle

my cheek to your chest. Your smell drives me wild, and I have trouble controlling my body. Slowly my thighs tighten. My hips rock a little, hoping to find a comfortable spot. I want you so bad. You are beginning to see my frustration now, but you also enjoying teasing me

I move my legs up on the seat and lower my head to your lap. As I look up at you, my hands

move to the button on my jeans. I unbutton them, then unzip quietly with just a little moan. I can feel your interest grow as I slowly brush my face against your crotch. My fingers slide down to my clit. It's wet, hard, and very warm. My fingertips begin to play with it. Your eyes move off the road for just a second to watch me. You take one hand off the

you. You encourage my hand to return to my pussy, but what I really want is to taste you.

Since you have to concentrate on the road, I roll onto my stomach and caress your lap, my hands rubbing the inside of your thighs, my mouth gently by the nature jeans. You give in and unbutton and unzip your pants. Your cock

pleasure as the tip tickles my throat. Then I bring it back out, kissing and licking it. It's so hot. My hand moves to your shaft. I can see you're having difficulty focusing on the road but the feeling is so incredible. I can't stop. I can't move away from pleasing your cock. My mouth is so eager to taste your salty cum. Your cock is so hot and ready to

wheel and touch my arm. You gently pull my hand away from my pussy and bring my fingertips to your mouth. As your tongue lifts the juices from my fingers, I can't help but moan. Can you let me taste the remaining juice?

Your hand moves to my breasts, and my nipples are so erect and hard you have no trouble finding something to play with. With very little hesitation, I unbutton my blouse and expose my breasts to

eagerly moves towards my wanting tongue. As my wet tongue touches the tip, your hips move, your left hand squeezes the steering wheel tighter, your right hand finds its favorite spot on my back.

I lick your cock slowly, getting every inch wet before allowing it entry into my mouth. Then as it passes my lips and follows my tongue back, I taste just a little of your juice and tighten my lips around your shaft. I moan with

explode, but I can feel you trying hard to hold back. You finally give in to me and my mouth.

My tongue accepts every drop except the little bit you try to save. For what? I think to myself. The cool breeze feels relaxing at first until I lift my head at a loud horn and realize we are on the wrong side of the road. I wipe my mouth, catch your eye and we both break out in a nervous laugh in relief.

# GIRL NEXT DOOR

## ELEKTRA

My boyfriend insisted we do some sexy shots and send them into some magazines. A didn't want to do it at first, not because I was shy, but I had too much schoolwork and had just started college. Well, he convinced me to do it and we sent out a few. Hope you like them.

# PARADISE

Paradise is a super hot college babe that was getting ready to go to band practice. Her boyfriend had other plans in mind as he watched her get ready. Before she was about to go, he asked her to show him her instruments, but with nothing on. She bent over and displayed her round juicy ass and sweet pussy. Soon after, she was down on her knees, all warmed up for the camera. She was definitely late for practice that day.

# KALI

I'm really happy that my girlfriend forced me to send you these pictures. My boyfriend is so shy that it took six months to convince him to do these pictures, but only if we didn't show them to anyone. He even made the photographer give us the outtakes. So they stayed in a drawer for another six months until I got up the gumption to show my BFF. She loved them and convinced me to send them in to you. I hope you'll print them so I can see me in a magazine. Thanks!

THAT WAS A HUGE LOAD

---

Sammy Johns had a huge hit in the mid-70's (remember?) with 'Chevy Van.' The driver picked up a girl and by the end of the song, they had made it in the back. Oh, what fun.

# Love at 70 mph

*Enhance your own private sexual experience with sex in a more unusual place. No, we're not talking about joining the Mile High Club (although that is a great club to join) but a place that is safe, and exciting. Like this letter we got from Bobby Joe from Jackson, Mississippi as he and his girlfriend Danielle are headed home from college with a van loaded up with their college furnishings. Their friends Sam and Julie joined in renting the van and their stuff was loaded in too. Since it's a commercial van with only two seats, Bobby Joe and Danielle rode in the back for the first half of the trip.*

**Get comfortable, it's gonna be a bumpy ride.**

I'm laying with Danielle – Dani – on a few folded up mover's blanket. Sam, my college roomie, was driving and his GF Julie, was riding shotgun. Dani had just drifted off because she had just finished her final exams and then rushed back to her dorm to pack. We were on the road for about an hour and Dani wanted to fool around. I said we'd

be home in a couple hours, but she insisted and grabbed my cock over my jeans. Within a minute my cock was hard and my zipper was down. She stroked me a few times to be sure I was ready and then whispered that I should hold it. So I grabbed my cock and she pulled down her pants and backed her naked butt into me. I reached down to feel her pussy and it was already wet. I slid in easily and we settled down on our sides, spooning in the back of a commercial van going 65 or 70 down Interstate 20 headed for Dallas. I pumped into her a few times and noticed she was not responding. I pulled back her hair and looked down at her to see she had dozed off. I didn't know what to think,

At first I thought my fucking was boring until I realized how tired she must be. I wrapped my arm around her without really thinking about it. Dani, reacting unconsciously in her sleep, snuggled tight against my body, her arm wrapping itself over mine and holding it against her chest. She gave this cute little sigh of contentment. All I could think

OMG,  
BABY!

of was my cock slowly going limp inside her warm, still wet pussy.

I didn't want to waste it so I started flexing my cock and slowly pumping her to get hard again. As I did, a smile appeared on her lips. Damn, she was cute.

I felt my dick begin to harden inside her again. She snuggled closer at that point, fully im-

mine, and I was asleep enough that I couldn't imagine what the fuck she was doing. Most of me was concerned with making sure her movements went undetected, and I didn't look down until I felt her hand on the underside of my cock.

Dani was mostly covered by the blanket we had been sharing, but the leg she had thrown over my hips was now partially exposed. Her

ing herself on me, and my dick began to take over my thought process again. I mean, here was this gorgeous girl who I was lucky to be with and my cock is inside her and she wanting more of me, grinding on my dick. My body reacted instantly without asking permission from my conscious mind.

My cock, hardened to it's fullest instantly but I tried to will myself to hold still as she awoke. She quickly realized what had woken her and turned her head to look back at me. Her eyes opened a little wider. "Baby, I thought I was dreaming this," she whispered. That explained why she was so wet. Dani was still facing away from me and I pulled her closer. I heard a soft little moan and looked down at Dani. Her eyes were closed as she bit her lower lip to stop making any more noise. Julie was still asleep in the passenger chair and Sam had to keep his eyes on the road to notice much else.

Then, there was some more movement. I figured she was trying to massage some feeling back into her arm or something. I knew how much I hated the feeling of my limbs falling asleep. But then I felt her warm thigh on top of

body was facing my own, and she was currently peering between our bodies as her hand worked underneath the blanket. I let her hand guide me until it had effectively lined me up once again. I could feel the warmth from her tunnel on the head of my dick. My dick was between her pussy lips. I paused as I felt my head pass through the firm grip of her opening. Her eyes pleaded with me as she chewed on her bottom lip to stop the moans that were in her throat. After four inches of me had disappeared into her, Dani leaned in to rest her forehead against my shoulder. I paused again.

My dick decided to continue at that moment, and I began to push into her again. The smile was immediately replaced with her cute lip-biting, and her eyes held mine as I continued to push into her. As the fifth inch vanished inside her, those hands became claws and moved to grip my back. The leg that had been gently draped over my hips now locked into place, holding me against her. In this position, she began to roll on to her back. I knew she couldn't pull me over if she tried, but I moved onto her as she rolled. I was propped up on my elbows so that she

wouldn't have to support my full weight. She was tight enough that, even as we rolled, my dick had not gone any deeper. She locked her legs around my hips and draped both arms around my neck as she looked into my eyes again. She looked so sexy.

The blanket had fallen so that it covered just enough of our lower bodies to hide the fact that we were connected to one another in the physical sense. She was still wearing her cute little tank top, and I still had my t-shirt on. Her blue eyes were glazed over and unfocused, eyebrows drawn together in a fierce concentration on what she was feeling inside her. She was biting her lip again, and her cute little nostrils dilated in time to her shallow but rapid breathing. Even though she was taking such shallow breaths, her chest was heaving and her hips writhed underneath me. I leaned down for one of the sexiest, most sensual series of kisses ever.

Moments later, she made a little moan of impatience and broke off our make-up session. She whispered that I had to keep the pace go-

Unfortunately, given the current surroundings, I couldn't risk taking off her shirt. However, Dani had decided in the favor of comfort when she had dressed for the ride and had one again neglected her bra. So I could feel the heat from her skin and as I reached her breasts, her eyes opened a little wider. I lowered my head slowly over her other breast and began mirroring the movements of my finger with my tongue on her opposite breast.

She began to squirm almost uncontrollably, and I decided to let her finally have her release. I suddenly pinched down lightly on both nipples, one between my fingers and the other between my teeth. I buried the rest of my cock deeper into her now soaking pussy with one firm thrust. Her reaction was intense and immediate. She pulled my face up to hers, but then turned to bury her teeth into my shoulder. Her hands turned into talons as they gripped into the muscles of my back, scratching furrows into my skin even through my shirt.

Her ankles locked behind my waist as she pressed the length of her body into mine,. I had

ing, grinding her hips against me to illustrate what she meant. I decided to be a little evil. Instead of ramming my last inches into her like she wanted, I froze and looked into her eyes. The expression of her frustration mixed with her sheer desperation caused a taunting smile to appear on my face.

no idea how intense her orgasm was until she started spasming around my shaft. Her moans made Sam turn around and look at us. He saw what he saw but we didn't care. Squirming out from beneath me, Dani yelled out to keep his eyes on the road! He gave us a big thumbs up and we all laughed.
